

North Yorkshire Fire and Rescue Service is divided into 5 Groups. They are aligned with the 7 District Councils plus the City of York, but six areas are combined in pairs and managed as three Groups

There is a Training Centre at Easingwold, which offers courses to all members of staff. Our Headquarters and Control Centre are in Northallerton.

There are 39 Fire Stations in North Yorkshire as follows:

- 4 Wholetime shift stations (crewed 24 hours a day)
- 7 Day Crewed stations (crewed from 0800 - 1800 each day by firefighters who are also on call outside these hours)
- 26 Retained stations (crewed by part-time firefighters)
- 2 Volunteers stations (crewed by volunteers)
